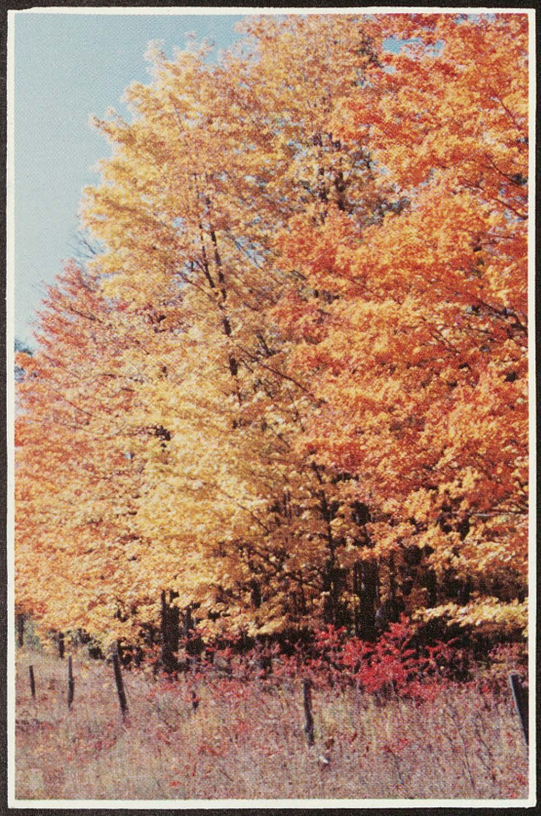
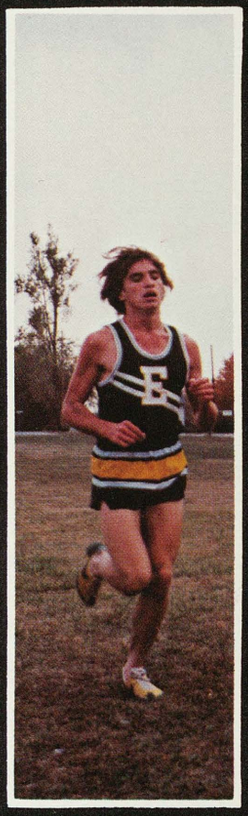
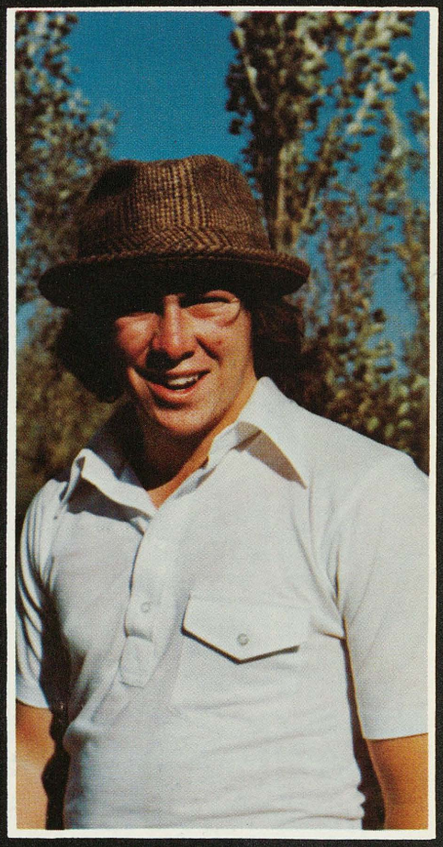
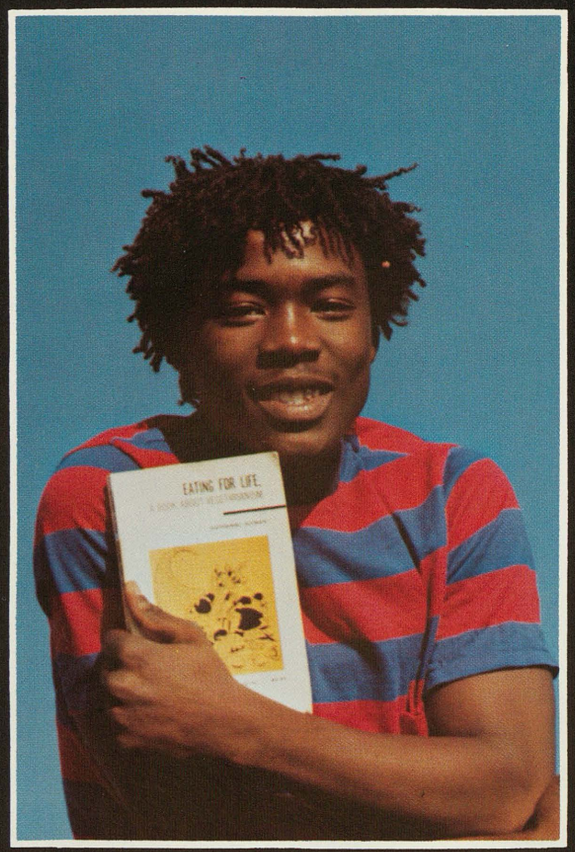
The journey of life
Begins when you take your first step



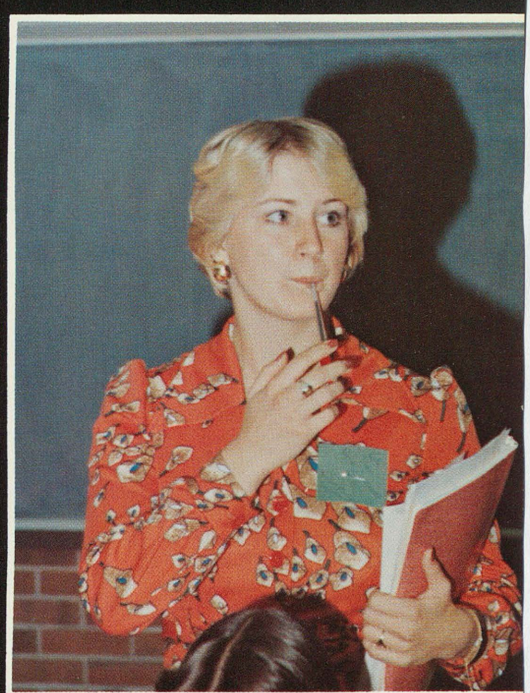


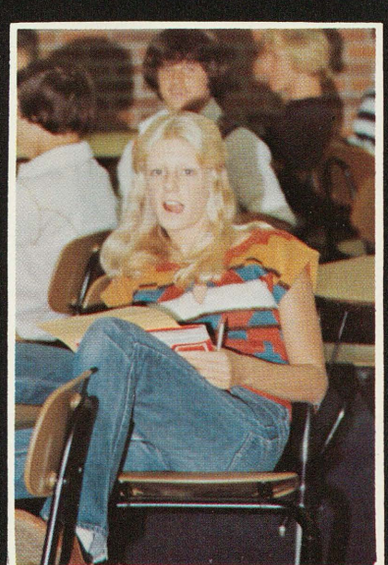




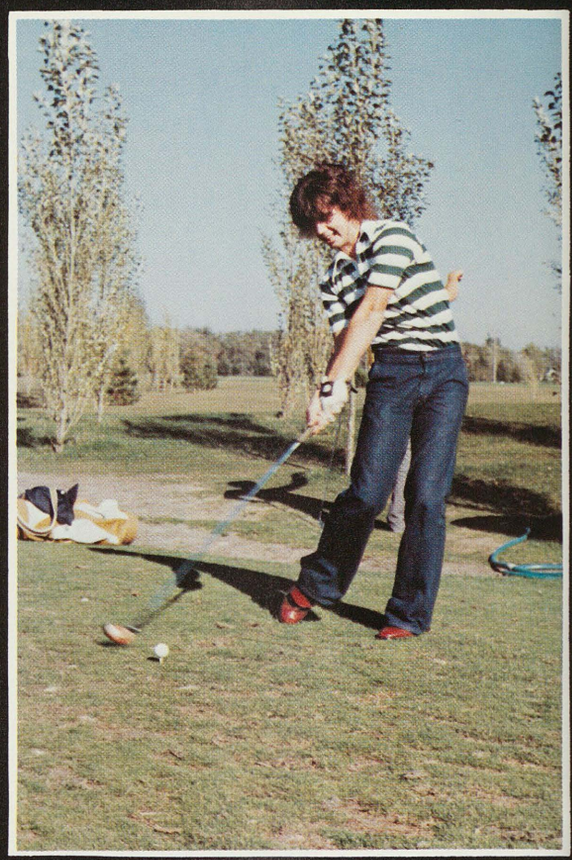
EATING FOR LIFE

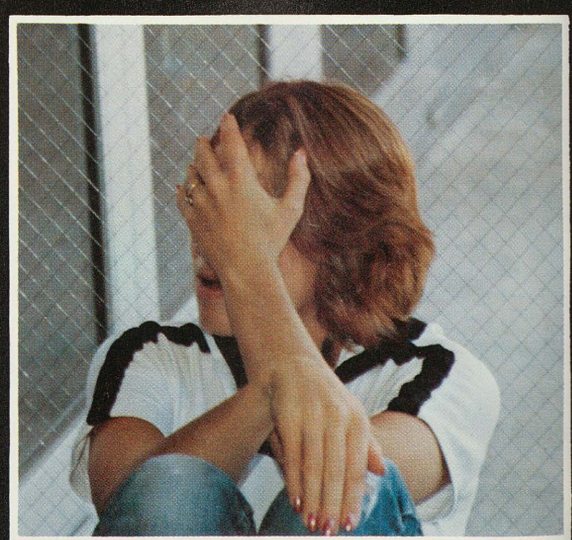
You reach and search for that
One special moment
When you finally find yourself.



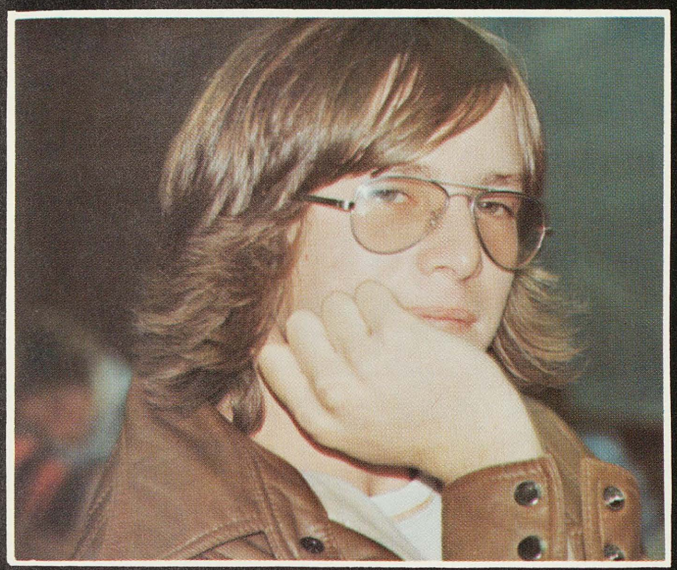


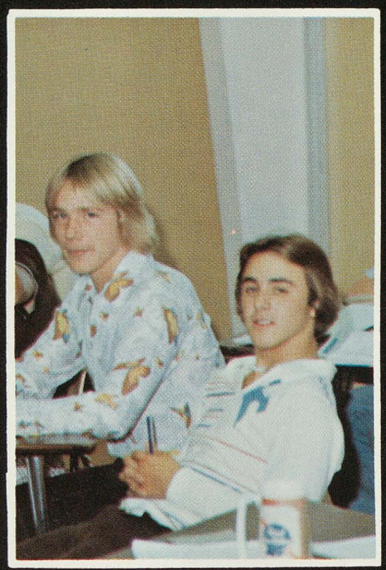
In the beginning,
We understand
Neither ourselves,



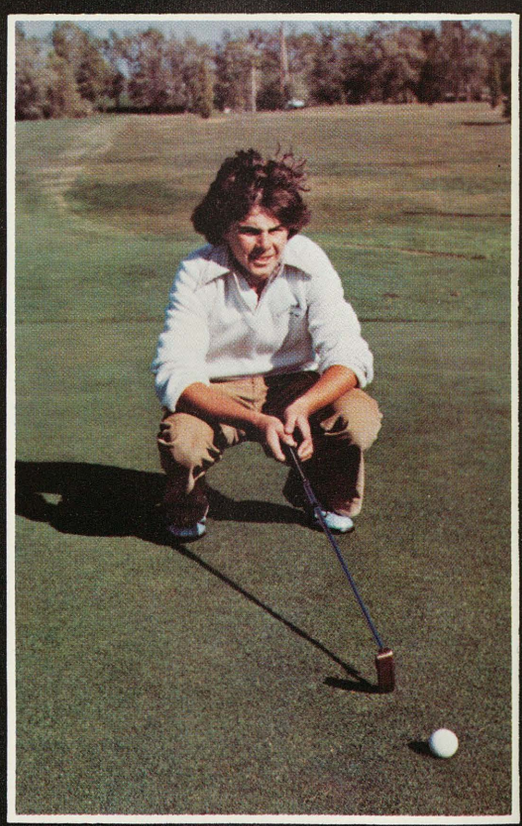


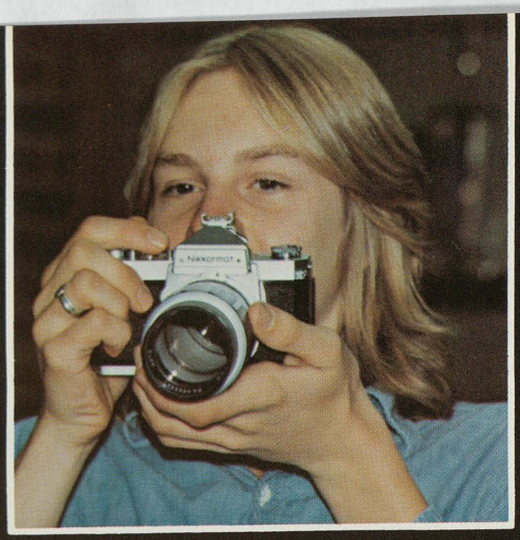
nor the world,
full of people .



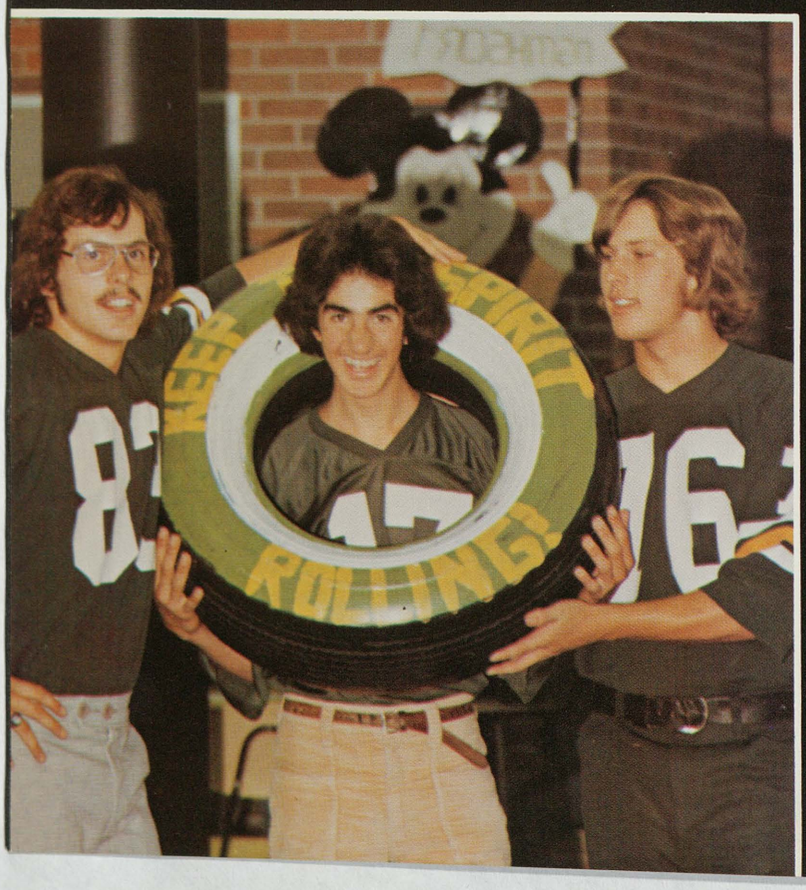


But, somehow,
In time,
We shall find
Ourselves....
Along with each
Other.

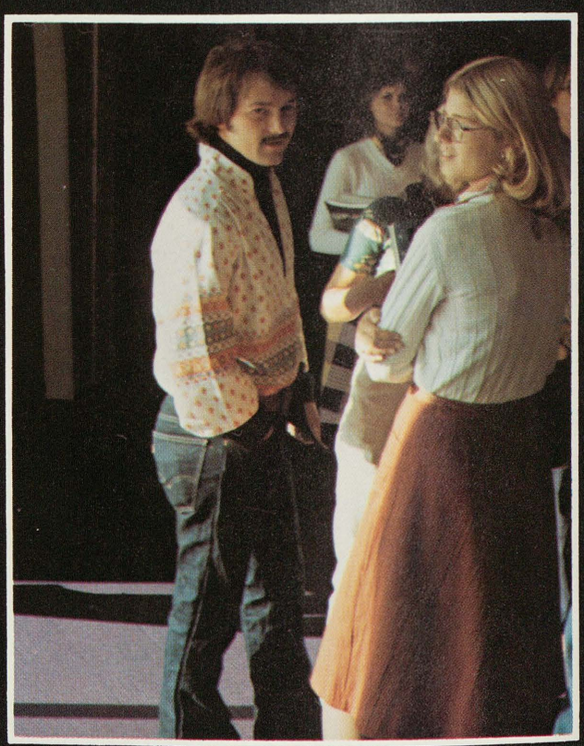




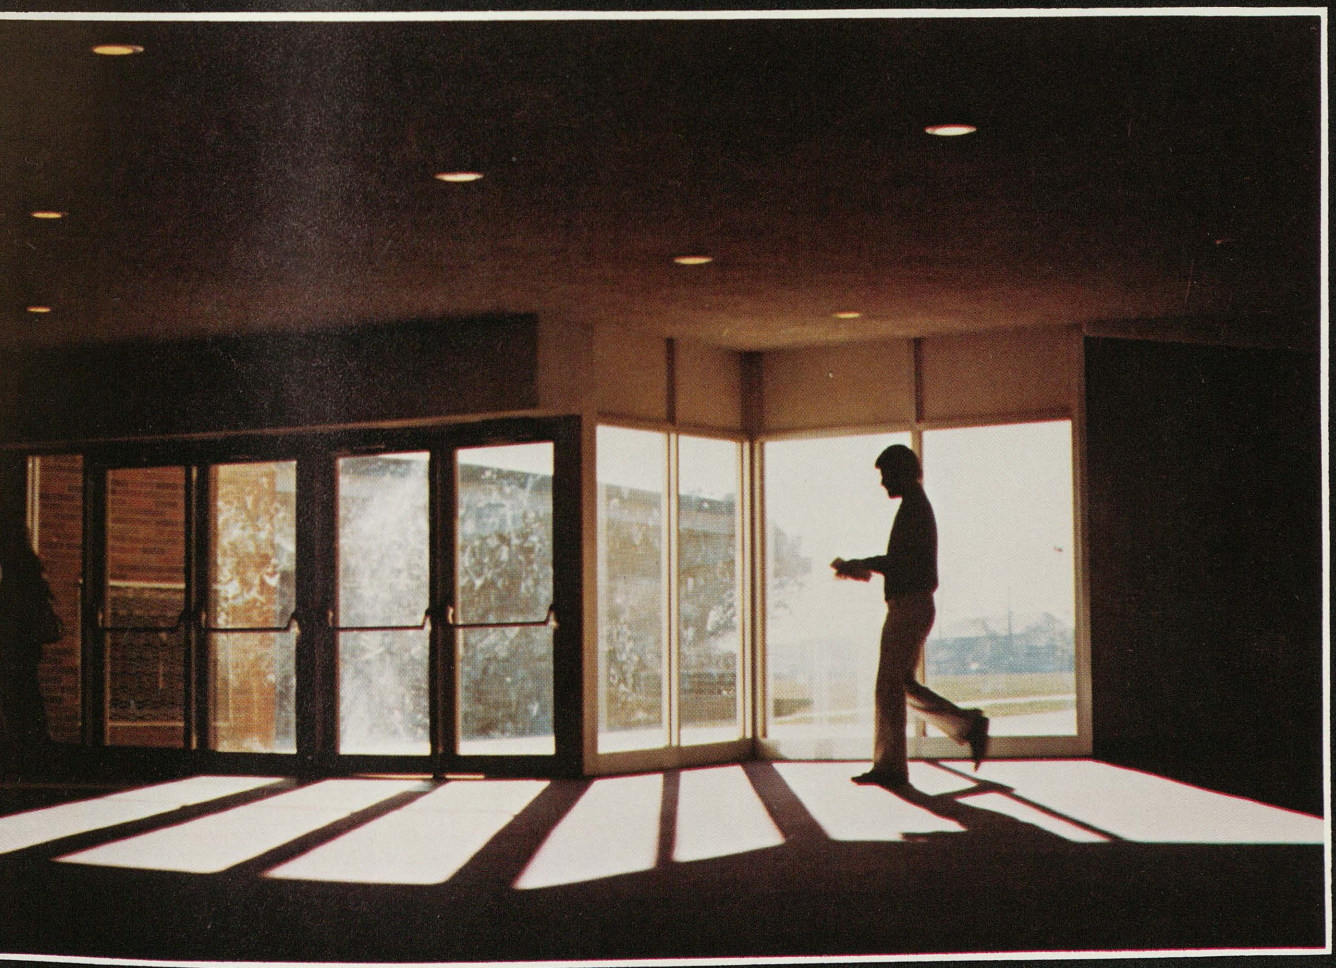
Nikkormat



KEEP
SPIRIT
ROLLING

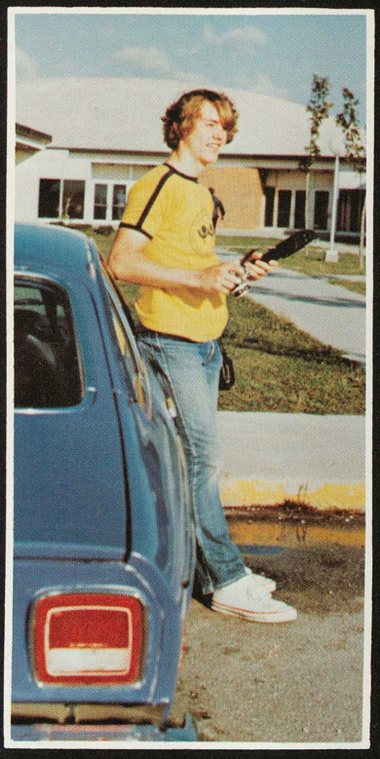


We are one in ourselves,
Searching for our own
true identity.



A life imagined shall become a life lived.

Remember all you've learned, Take it with you and teach others.



Life is not a destination.....
Only a journey.

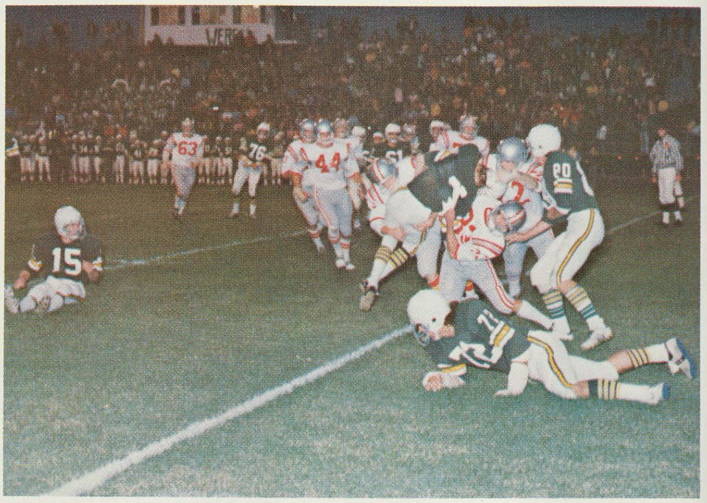
John Sweeney takes a rest as Mike Becker looks on.

Kevin Kocks proves that he believes, too, as he bursts through the sign.



Offensive players Ken Cairns (72) and Jim Levy (80) scramble on the line.

The Commander Varsity Football Squad had a real up and down season. Although their record wouldn't show it, the Commanders put forth super efforts and made many games tough for opponents.

Ike's gridders battled their way to a 2-6-1 record.

Highlighting the season was a season opening victory over Flint Beecher, 28-27. The win marks the 6th consecutive year Eisenhower has won its first game of the year.

Coach Fenton, Tutera, and Mikolajczak, saw many players join the injury list and must admit it showed in the latter part of the season.

Outstanding achievement was shown by Mike Morley, Kevin Kocks, John Sweeney, and Bill Bierlein, who sparked the seniors while Rick Payk, Kevin Krys, Jim Graebner, and Dave McCarger improved and shined for the juniors.

"A smile says it all," was the motto of the Varsity Pom Pon Squad as they kicked their way to success at summer camp.

The fourteen member squad earned $2,000 which flew them to Maryville College, in St. Louis, Missouri.

The girls rated highly in their nightly performances, as they grabbed a first place ribbon each time.

Through all of the hard work and excitement they were awarded five blue ribbons, a first place trophy for routine originality, the showmanship, trophy, the kick competition ribbon, and the song competition ribbon. The girls received the first place trophy as grand champs of the camp.

The squad then traveled to Chicago, Illinois for the Midwest Championship, where they proved themselves well again. They received a trophy ranking them fourth in the midwest for originality.

Students participating in Forensics this year traveled all over the state competing in many events.

Among the many awards the team won, one of them was the Sweepstakes Trophy (team with most points) at Birmingham Seaholm's Invitational.

Coach Cindy Bomboske did a great job of arranging two multiple readings for Readers' Theater this year. "Thurber Country" was a reading made up of a collection of James Thurber's fables which all displayed the wit and humor of the author.

Another reading was "Fall River Incident." It presented the conflicts in the Lizzie Borden trial and asked the audience to be the judge and jury to decide if she were guilty or innocent.

This year's Readers' Theater and forensics teams followed Eisenhower's tradition of performing excellent multiples and readings; both groups brought many honors for the school.

Seniors this year planned activities to promote closeness and involvement among their class. A roller skating party, tobagganing party, ice-skating party, and the traditional Senior party were all well attended.

Class of '77 started the tradition of the graduation class sponsoring a full page in the yearbook.

All green caps and gowns were chosen by the smallest class ever to be graduated from Eisenhower. On June 5, 1977, their journey through Eisenhower ended with graduation.

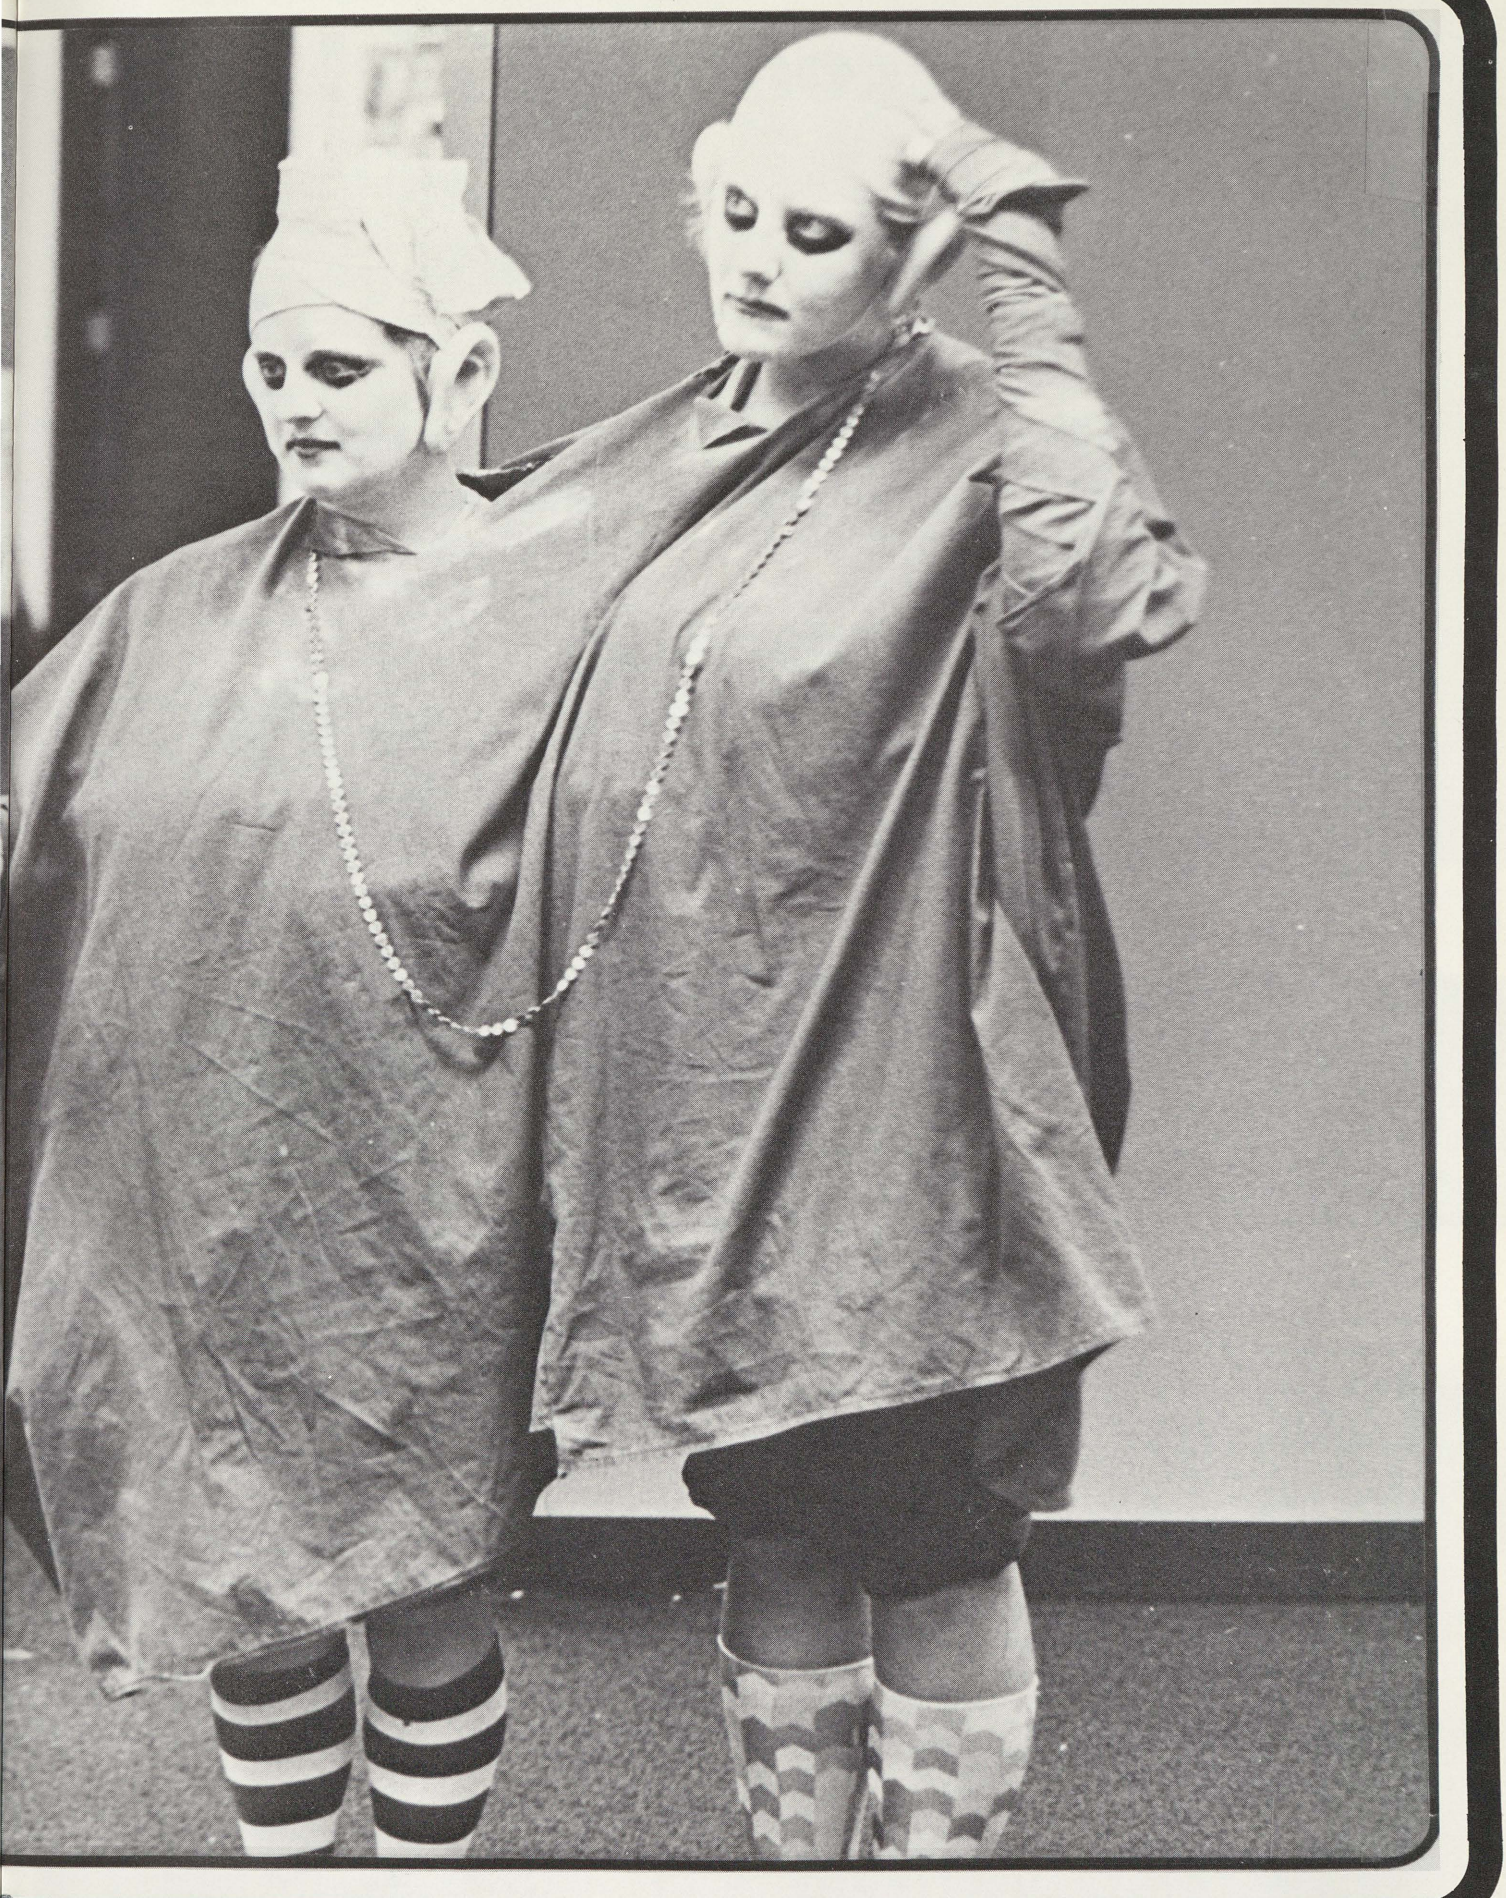
STUDENT ACTIVITIES



Homecoming 76!

This One's For You...was the theme for Homecoming '76. A week full of pride and activities led up to the welcoming home of the alumni and the crowning of the queen.

During a pep rally on October 8th, seven girls, who had been selected by the student body, were announced as this year's Homecoming Court.

Brightly decorated areas kicked off the beginning of Homecoming week. Winning for their 4th consecutive year was the "Class of 77."

Wednesday, court members and their escorts were presented to the student body during a special assembly. Later in the evening, following the freshman football victory, a bonfire took place adding a "spark" to the week's activities.

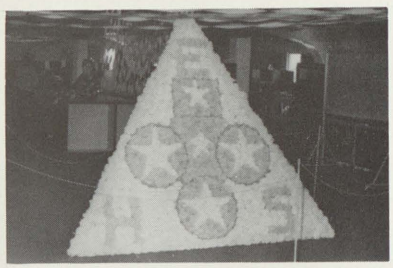
Thursday afternoon the junior and senior girls proved to many that football is not just for guys. Weekend practices, huddles, injuries, laughs, patience, hut one...hut two...,it all ended in a 16-16 tie.

Spirit showed all through Friday leading up to the game against B.V. in which the Commanders were victorious.

Concluding the week, the annual Homecoming Dance featured the music of "Harbour."

For Queen Terry and her court it was a dream come true, and for all who took part in the Homecoming activities, it was a week never to be forgotten.

TOUCHDOWN! Junior and Senior girls battle it out in their own game of football.



Juniors' decoration shows Ike pride!

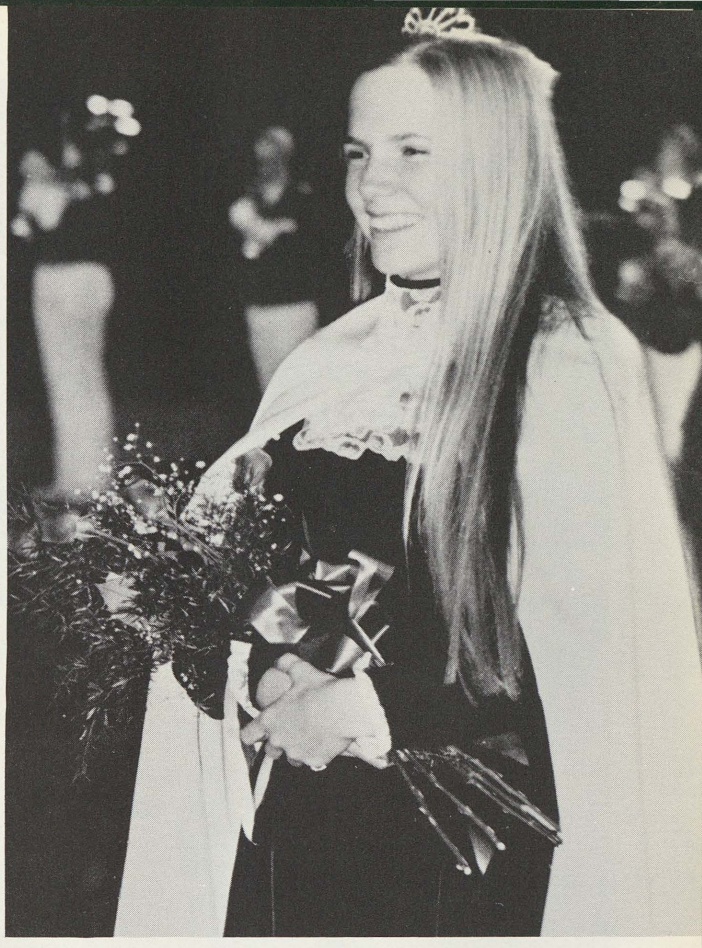
Seniors show spirit before the big game.

Court members and their fathers prepare for halftime activities and the crowning of the queen.



Queen Terry Phelan.....a moment to remember!

"Harbour" provides the satisfying music to the final festivities of Homecoming.

The Swinging 60's

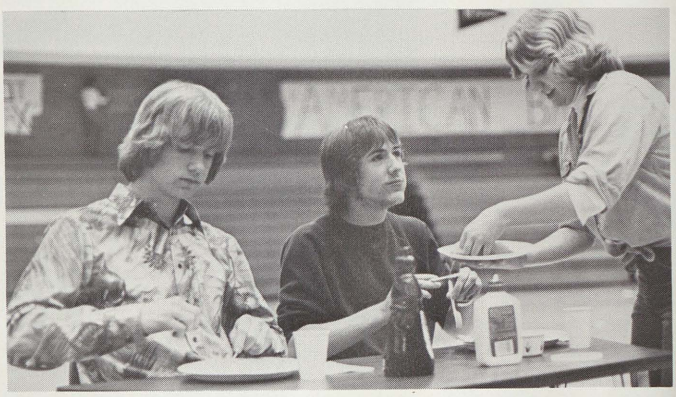
Carl Hessey and David Biver dig into the pancake eating contest!



Darrin Jenson and Pat Collison look a little stuffed, as Mikki Page serves them more pancakes.

Varsity Pom-pon girls swing to the 60's beat.

The swinging sixties were, Elvis Presley, Sonny and Cher, long hair and the freedom movements, that revolved around the hippies and the "peace" people. Dressing for and imitating the styles of the sixties were a change from Eisenhower's traditional fifties day.

The student body managed to raise $327.20 for the Childrens Leukemia Foundation. The day's activities included a six hour dance marathon, a pancake eating contest and a school assembly seventh hour.

The Forum sponsored event was a history marker for Eisenhower High School.

There were sights to be seen, on Ike's third annual Goblins Day. Students were dressed in almost every costume imaginable.

The day's events included a cracker eating contest and an assembly at which prizes were awarded for best costumes, a pie auction was also held which helped raise over $150 for UNICEF. All in all the day was a great success.

Steve Lacker, Shelly Stelter, and Jim Graebner crusade for UNICEF.

The Forum has the right and responsibility to see that the wishes of the school are considered and acted upon.

They meet every day as a class and once a month at night.

The Varsity Pom-pon Girls welcome the freshmen by doing a Mickey Mouse routine.

The students rush anxiously to get to their next class after a pep assembly.

This year's pep assemblies were a great influence on the school. The enormous spirit was displayed all year round by the students at Ike.

Mr. Doane's enthusiasm helped make the assemblies a great success. Each class participated in a skit, the pom-pon girls took part by doing a routine, and the cheerleaders had many new cheers to promote spirit.

The pep assemblies, here at Ike, showed our spirit was number one.

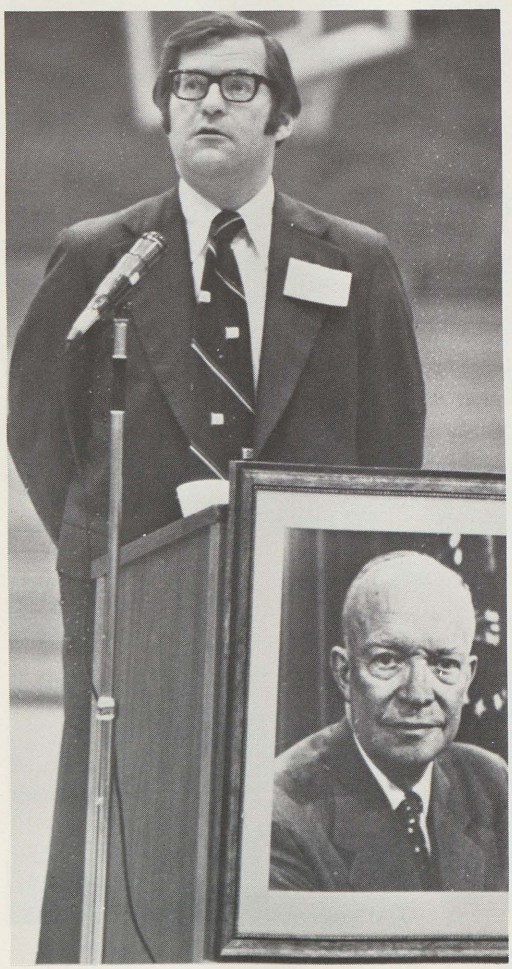
Meet the Candidates

Judge Gilbert speaks to the students on Meet the Candidate Day.

1976 was an election year. The gym became a "political arena" as Eisenhower moved into the political spirit with a meet the candidates assembly sponsored by the Forum. Special assembly committee chairperson Annette Ponichtera, with, advice from government teacher Thelvis "Bo" Winiecki, invited candidates from the community for the October 25th assembly.

Commentator, Thomas Ginster helped enlighten students political awareness by introducing candidates for public offices which ranged from county drain commissioner to candidates for the United States Congress.



Democrat J. Bob Traxler states his point of view.

The play centered around a small country; Grand Fenwick, which declared war on the United States for imitating Grand Fenwick's source of income-their wine.

The situation almost ended in disaster as the army of Grand Fenwick captured an extremely powerful Q-bomb from the United States.

The cast included Bridget Laundra, playing Glorianna the Twelfth and Brian Cupp playing Tully Bascom. Also included in the cast was foreign exchange student Jan Bonga, who played the part of Kokintz. Jan kept the audience laughing throughout the play.

During marching season they performed at Friday football games and pep assemblies. Basketball band was divided into two groups lead by student conductors Julie Gilbert and Rex Rossman.

Other activities included winter and spring concerts, band festival, solo and ensembles, and fund raising projects.

The support of the Band Booster Association kept the band on its feet, and on its way to becoming the best band at Eisenhower in quite a few years.

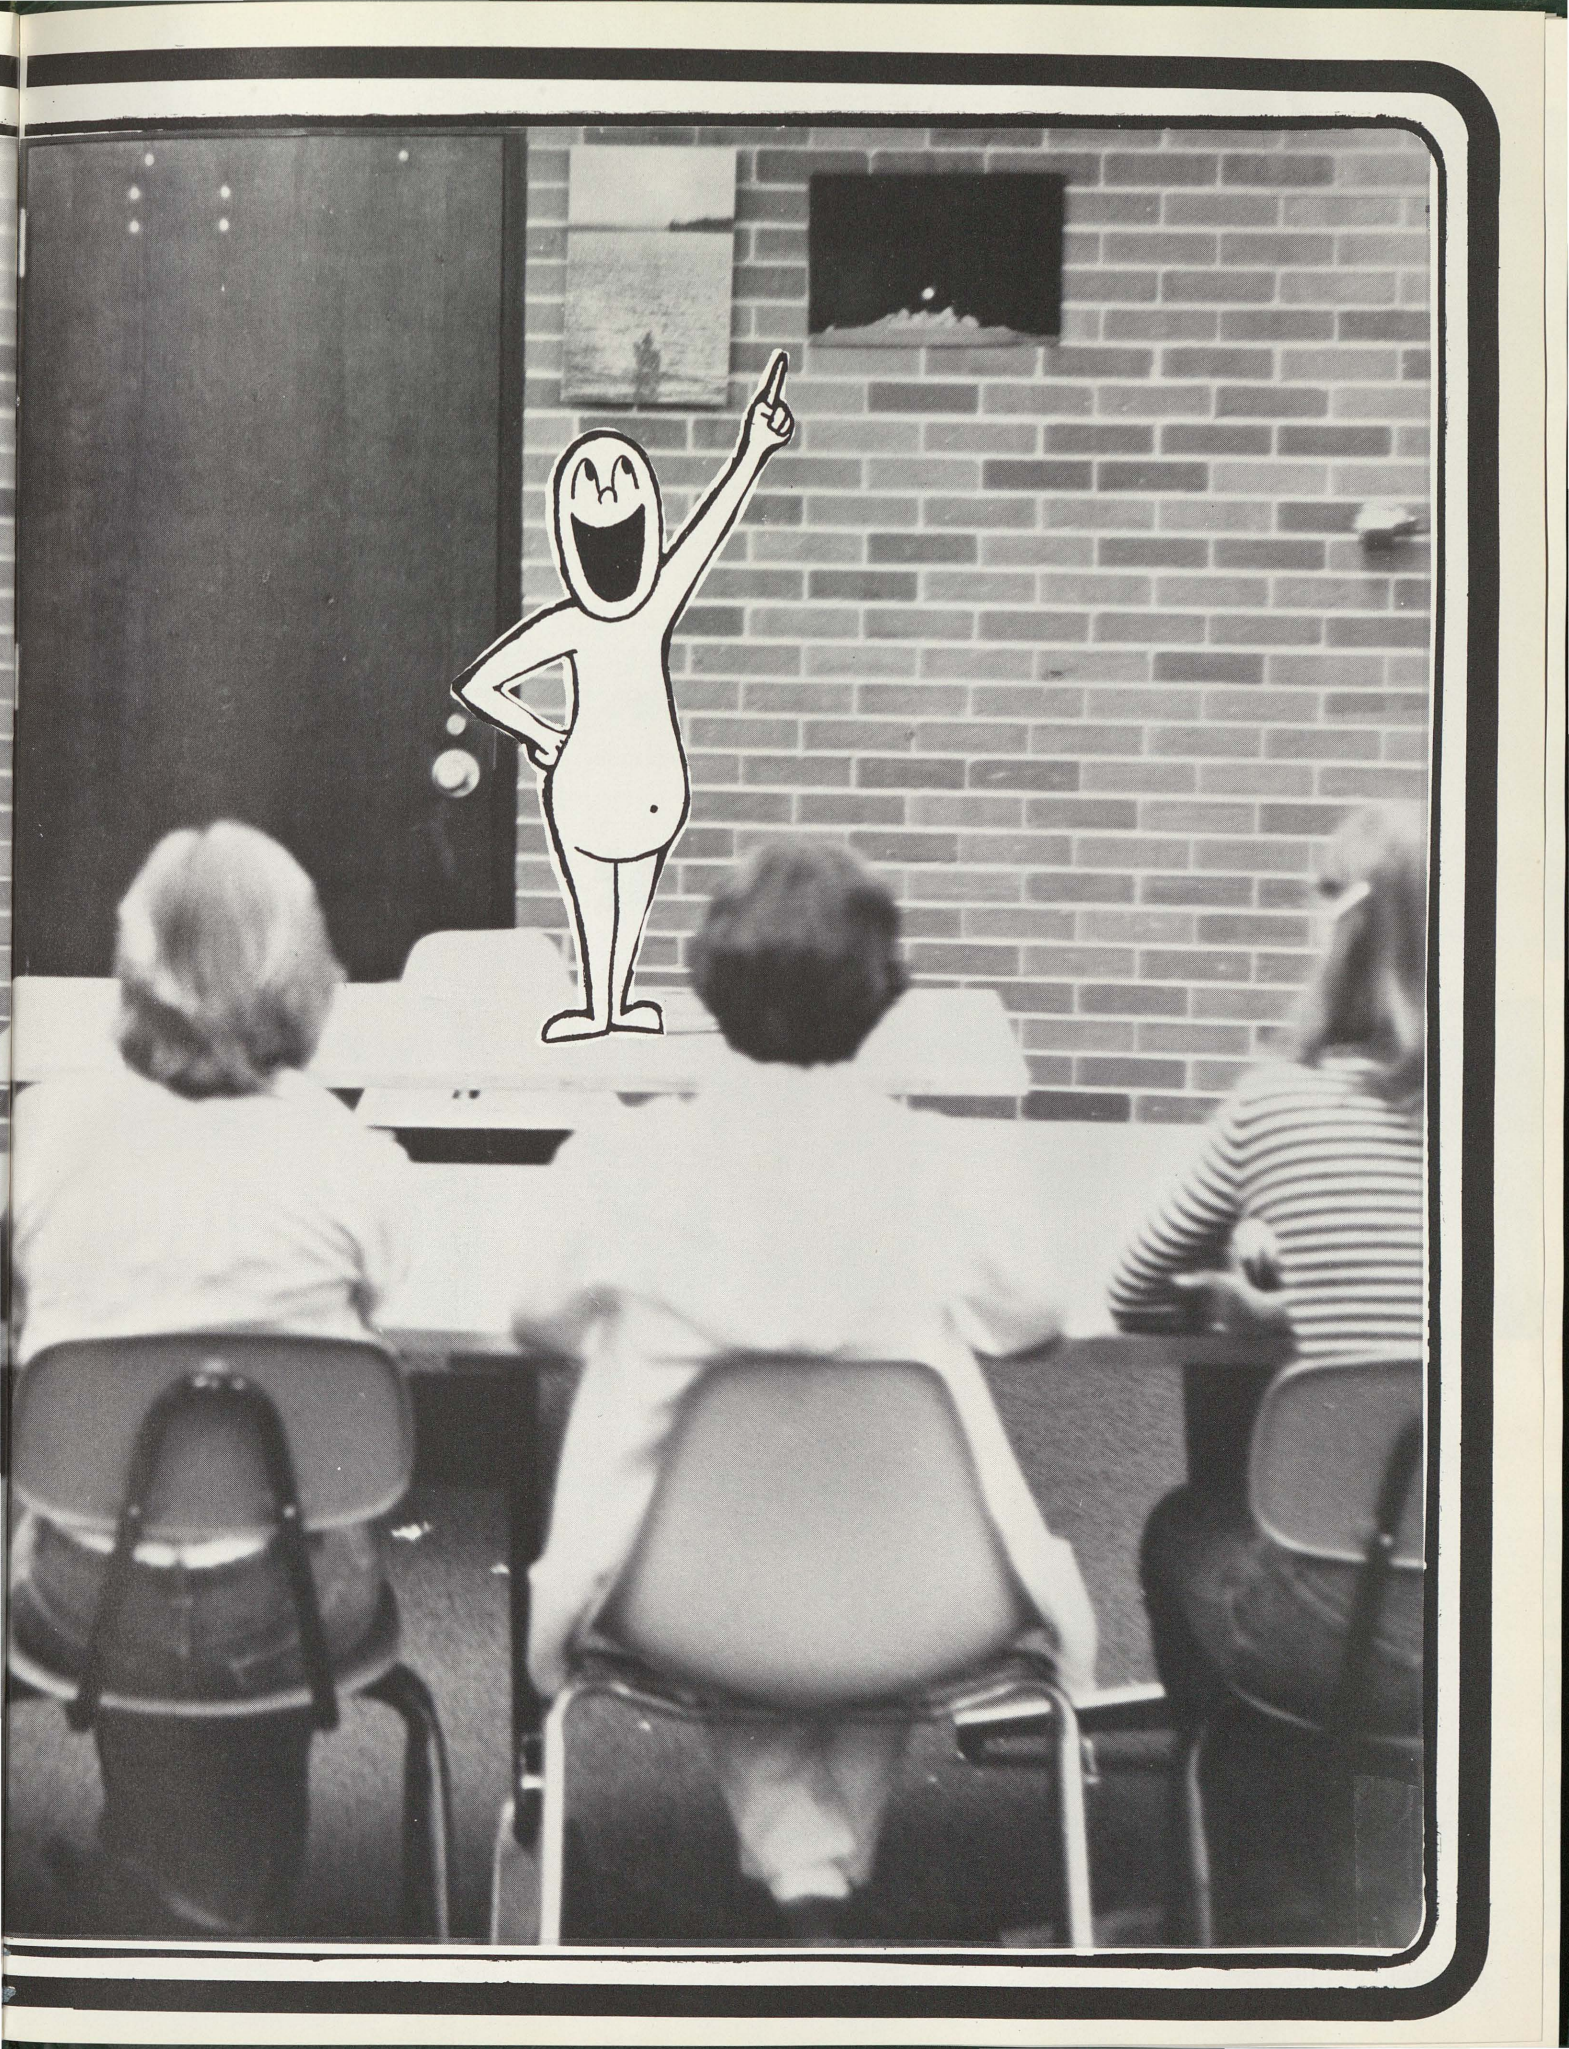
Organizations



The large membership of the Pep Club sold Eisenhower Commanders stickers to help raise money for this year's homecoming festivities. "This One's for You" was the theme.

With the theme of,"You Belong", sports players were involved in the Friday pep assembly skits. "We Believe" and "You Belong" flipcards were seen in the Senior cheering section.

Freshmen were welcomed into Eisenhower at the first assembly by a cheerful Mickey Mouse poster. Mr. Doane was the emcee of assemblies again this year.

Four year member, Sue Tinney, really enjoyed holding the office of Pep Club President.

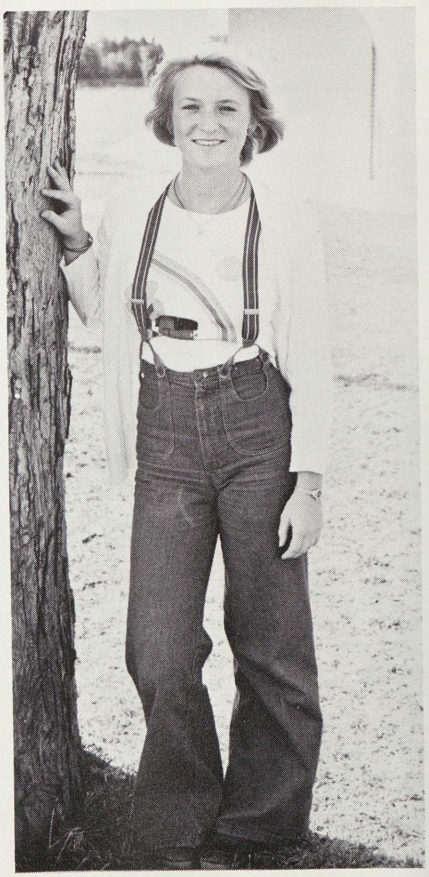
Senior spirit!

This year's treasurer was junior Marsha Putnam, a three year member.

Three year member Missy Neuendorf, a junior, held the office of secretary.



Shawn Curbey, a member for four years, was elected vice-president in her senior year.

Seventy-five seniors composed the National Honor Society for the 1976-1977 school year. Each member was required to have a 3.5 grade point average plus leadership abilities.

This year's club was honored to have four exchange students as honorary members. They were Susanne Ebeling, Lena Hagerman, Olof Linder, and Cecilia Wejryd.

A great deal of effort and time was spent by the members helping out with the fund-raising Monday night bingo.

The annual club banquet, conducted at the school this year, was a big success for the induction of the new junior members.

This was Eisenhower's second year of membership. High standards are maintained for individual student membership; the member must meet these qualifications, be a Senior or a Junior in the top third of their class, have done superior work in some phase of journalism or school publication, be recommended by the advisor of school publications, and be approved by the Executive Secretary of the Society.

Publications advisor Miss Elizabeth Spaulding was sponsor for the group.

Members of this year's foreign language Clubs all shared the common interests of learning foreign customs, cultures and cross district differences.

Spanish Club's fund raising activities brought in enough money, to support a child in Mexico. The group sold caramel apples, candy canes and celebrated the end of their year with an international dinner.

German Club encountered something new this year as they shared their experiences with members from Douglas MacArthur High School. The club went Christmas Caroling at the Martin Luther, and Hoyt Nursing Homes. They also attended the Oktoberfest held in Midland.

Mrs. Buller, club advisor, said the club's purpose was not merely money making but more of a social activity. "Clubs like this help teach students foreign customs and tolerance for other cultures," she said.

Publications' Photographers

Eisenhower's photographers usually arrived at school by 7:30 a.m. and sometimes did not leave until 6:30 p.m. Their working environment consisted of a dark and muggy room, complete with stifling chemical vapors and claustrophobia. Some days they did not see the sun.

Their schedules were hectic and their work load demanding. Their time and efforts were rarely appreciated and they received little or no praise for their efforts. In spite of all of this, they suffered through impossible conditions to provide the Introspectus and The Word with award winning photojournalism

Hampered by having the entire photography program cut, due to the millage failure, these six photographers endeavored to tackle the entire publications challenge.

Head photographers Phil Birney and Dennis Ullrich received awards in the Regional Educational Media Show. Ullrich received a first place rating for one of his photos and Birney received a second place rating. Both Ullrich and Birney had their work on display at the Delta Galleria's Spring Art Show.

In another local show sponsored by the Bay Area Photographer's Society, Phil Birney received four first place awards for his nature photography.

One of the highest honors of the year was an award for "Excellence in Photography" presented by the Michigan Interscholastic Press Association to the staff of photographers.

"The Mouse that Roared," a comedy, and "The Miracle Worker," a drama, were the Drama Club sponsored productions this year. Miss Sowle's two student teachers, Ms. Janet Kohler and Ms. Donna Ullrich, a former Eisenhower Drama Club officer, assisted with costumes and publicity for the spring play. No musical was planned this year because of the lack of funding.

Members successfully sold frozen pizzas to help raise needed monies. With the help and guidance of advisor Miss Ruth Anne Sowle the 20-25 actors and actresses of the Drama Club had a very successful and enjoyable year.

B.O.E.C.

The Businesss Office Education Club or BOEC, was established for students who were interested in office occupations.

Most of the students from BOEC were employed in the Co-op program, or in the clerical and secretarial block of classes.

Mrs. Bette Peterson was the advisor of BOEC. The club was involved in selling candy to raise money for the Employer Apprecaition Banquet.

Sue Sharp, a member of BOEC Club, is ready to help you at Hudson's.

D.E.C.A.

The Distributive Education Clubs of America, consisted of students who were involved in the Co-op program and students taking classes such as bookkeeping, accounting and retailing. The advisor for the group this year was Mr. Terry Boswell.

Merchandise Block, a branch of DECA, involved students working in the school store. The students ordered, priced, and sold merchandise. Mr. Ken Winicki was the advisor.

A Journey of Adventure: Outdoors Club

Outdoors Club: Front Row: Michelle LaClair, Jean Carbeno, Hernan Vidovic, Sue Meadows, Judy Ruonavaara. Second Row: Ms. Patty Clements, Advisor, Chris Ruonavaara, Joel Kershaw, Helen Holmes, Ann Cooper, Al Vidovic, Roxanne Bittner, Fred LaClair, Pat Morgan, Raymond Asuan, Tom Kinsman.

The Outdoors Club was fun and laughter; sharing and helping for all involved. Along with Advisors, Mr. Rol Crane and Ms. Patty Clements, members enjoyed nature and life's fundamentals.

The Club introduced students to an adult's world today and the basics to survive in this world. To students it was a crash course to life and living.

The members of the Outdoors Club hiked across Michigan and went on a canoe trip; but their hopes for a Winter trip were buried when the snow fell.

The Outdoors Club is not only learning how to live in the outdoor world - but also keeping this world clean and getting involved with it.

The Outdoors Club poses for a picture before leaving on a hiking excursion. Are they all going in Ms. Patty Clement's truck?

Mr. Rol Crane, Advisor.

The Word says it all

Our School newspaper "The Word" was published approximately every two weeks by student journalists from Eisenhower. "The Word" staff is a member of the Quill and Scroll Honor Society, and the National Scholastic Press Association.

Students worked hard to write, edit, type, layout, and paste-up the newspaper before sending it to press. Together they learned to work together as a group and produce one of the finest papers that Eisenhower has ever seen.

Meet the Yearbook Staff

Last year the 1976 Introspectus was rated by the Michigan Interscholastic Press Association for the first time. The book received a Mark of Excellence in Theme Development, Coverage of the Year, the Supplement, and the Womens' Sports section.

It also received recognition for exceptional photography from the MIPA.

This year the staff began doing its own paste-up and design. This was a money-saving effort due to rising printing and paper costs.

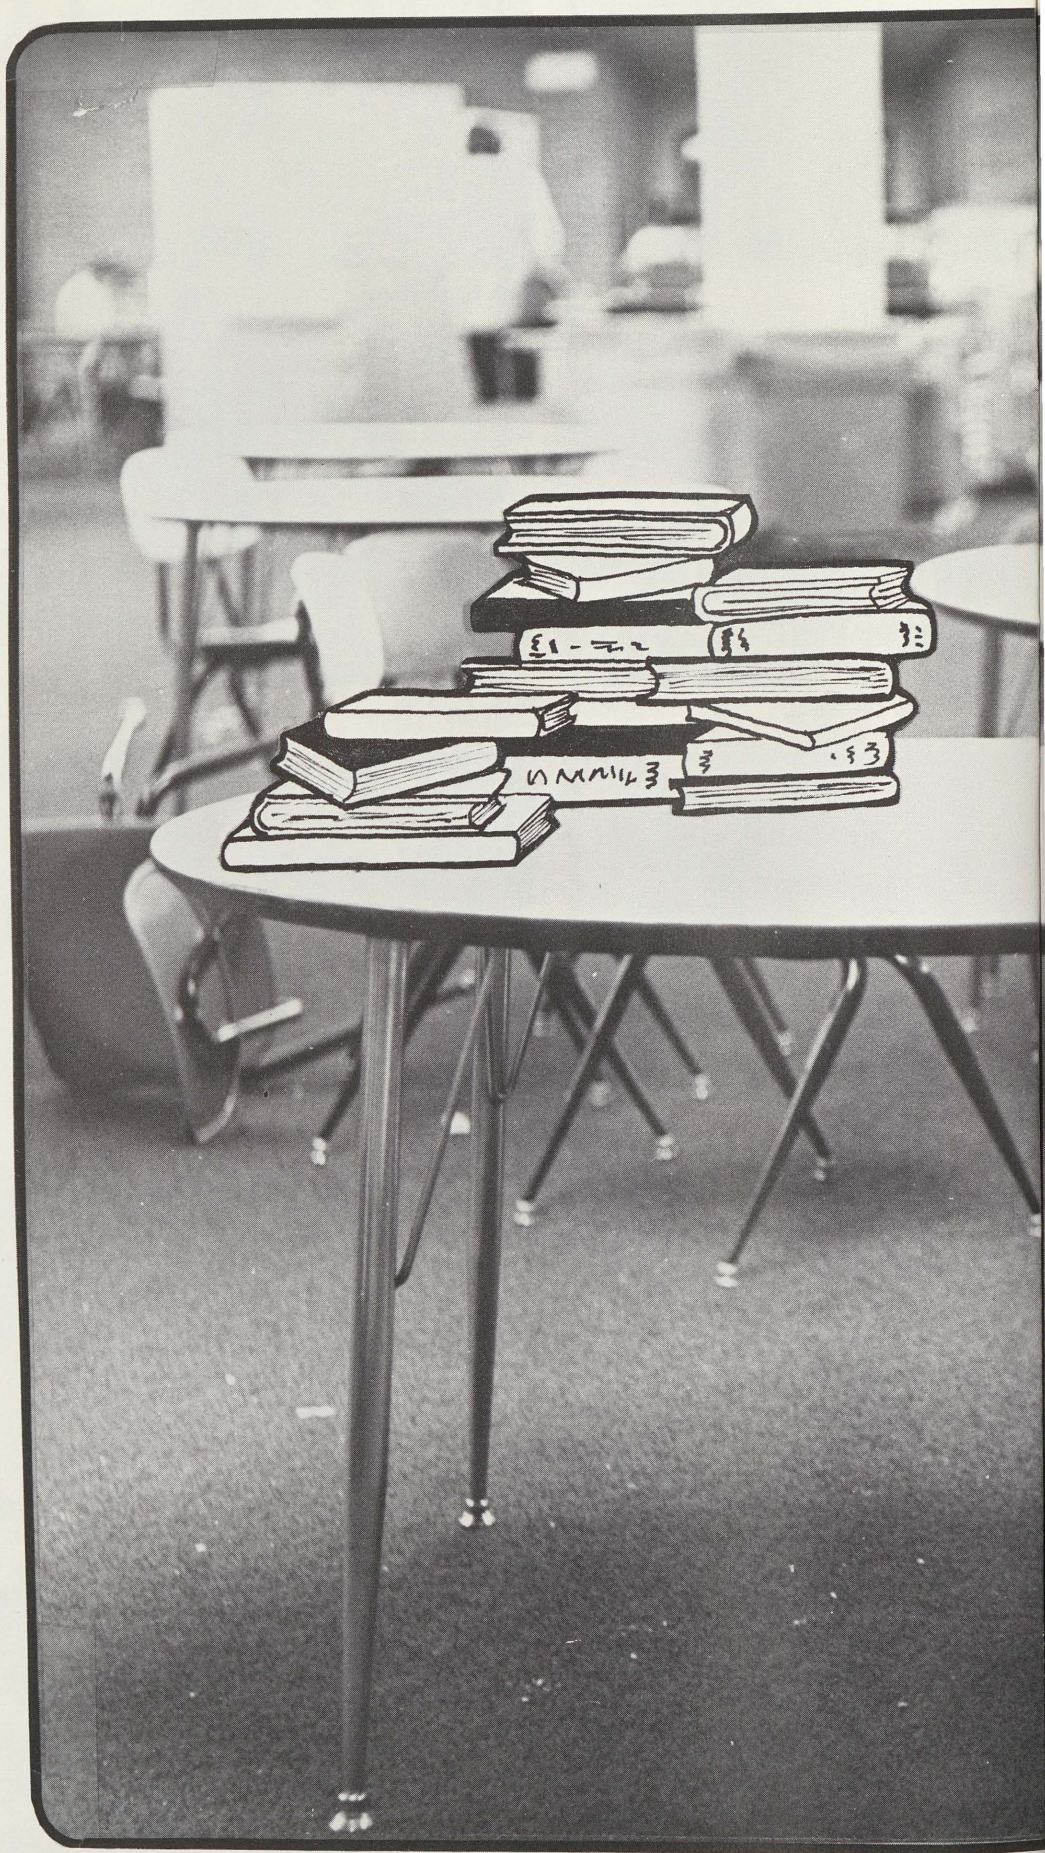
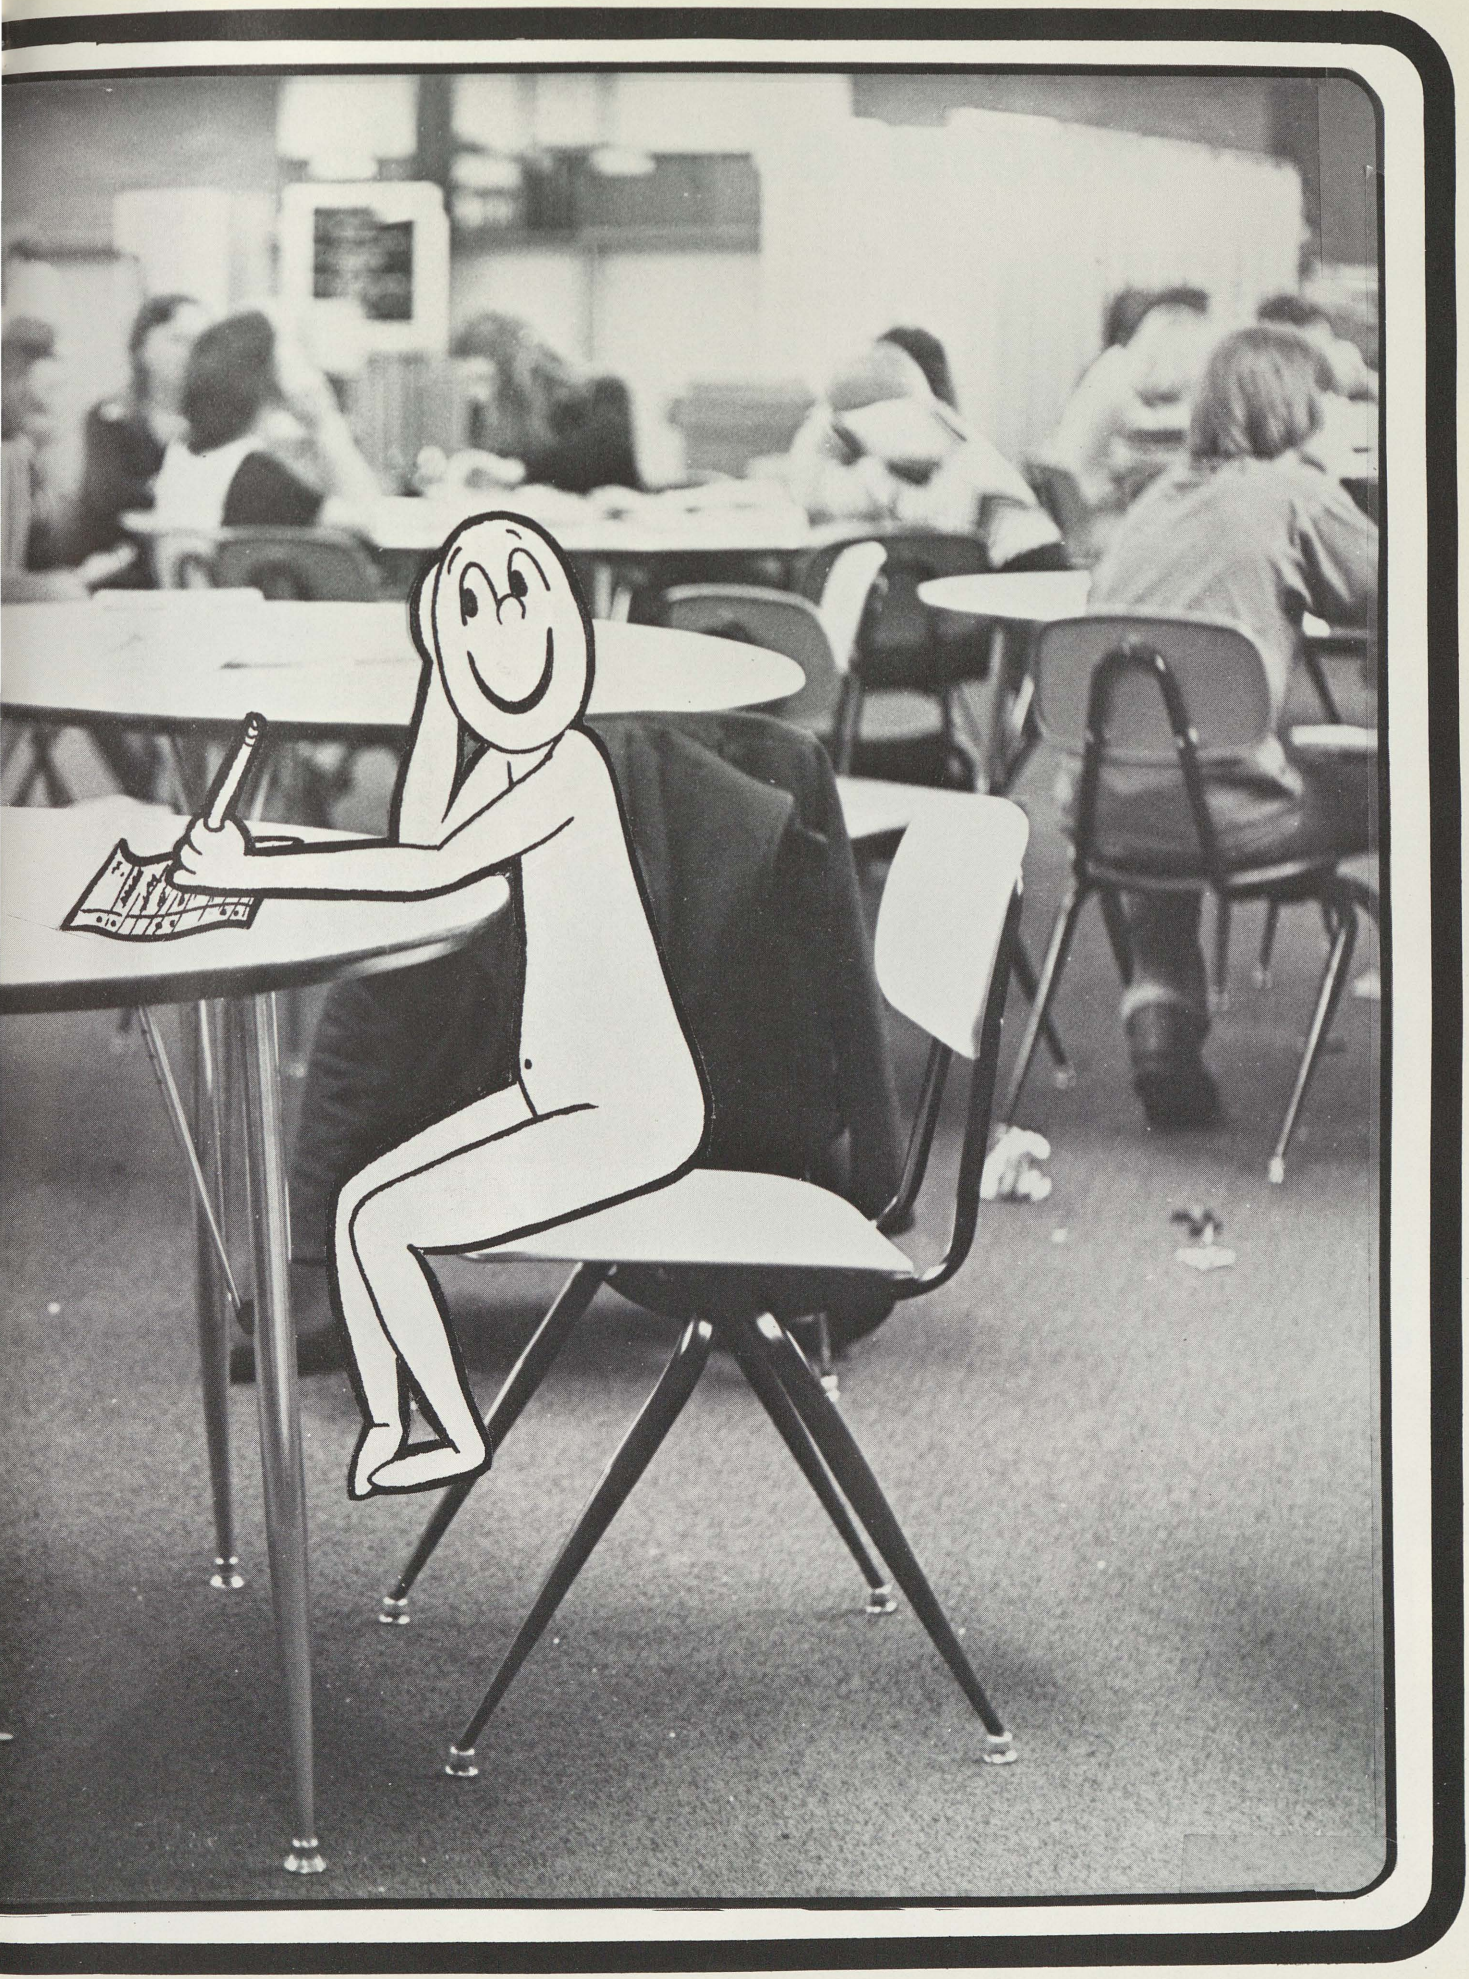
ACADEMICS





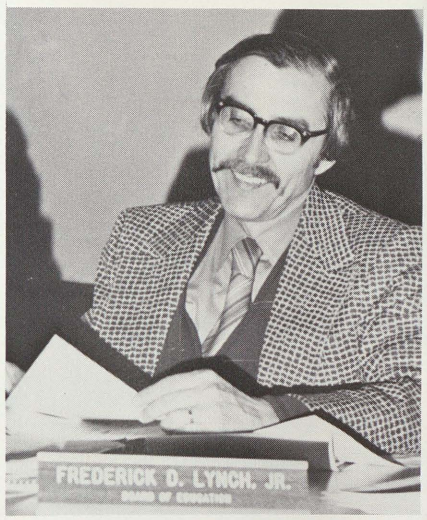
Board of Education

Mr. Frederick Foltz: President

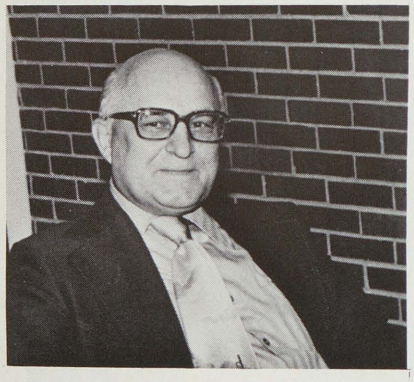
Decisions, opinions, ideas and differences make up our Board of Education. Around all these elements are seven hardworking people helping our community in many ways.

Meeting every third Monday of each month, the Board discusses problems in areas and fields concerning the township's educational system.

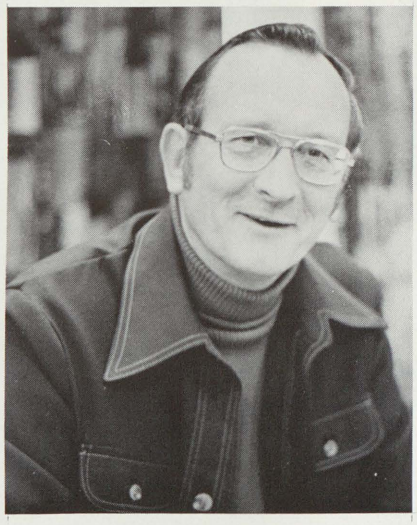
Thanks to them, they've kept our schools running smoothly.



Mr. Frederick Lynch: Treasurer.



Mr. Jules Warba: Trustee.



Mr. Warren Breithaupt: Trustee.

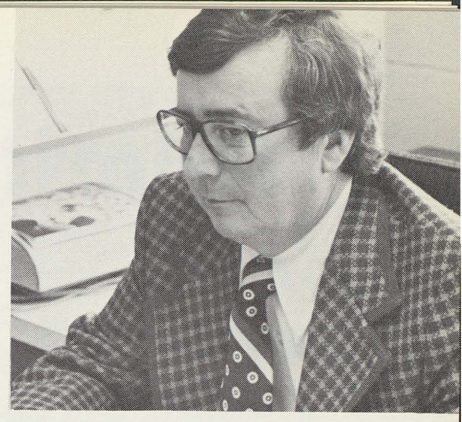
Mrs. Joanne McLeod: Trustee.

Mr. Richard Neiderquill: Vice-President.

Mr. Roland Jersevic: Secretary.

Mr. Dan McConnell: Superintendent.

Mrs. Jeanne Borchard: Supervisor, Food Services.



Mr. George Blesch: Director, Pupil Personnel.

School Officials working for us!

Many quick and important decisions have faced the school officials this year.

The millege defeat was a major problem which called for many extra hours of work, along with last minute meetings searching for new ideas.

With the board's and township residents' cooperation, new concepts were discovered for better way to improve these situations.

Mr. David Hinkin: Asst. Supt., Personnel.

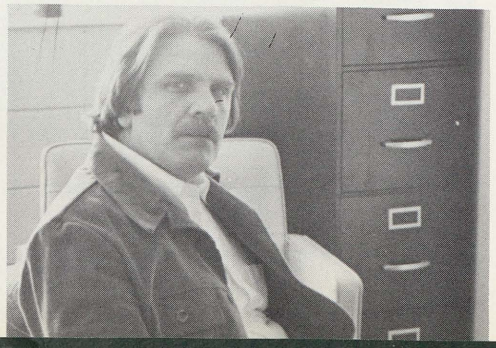
Mr. Dale Klein: Asst. Supt., Business.

Mr. Earl Kastorf: Supervisor, Transportation.

Mr. Richard Brown: Community School Director.

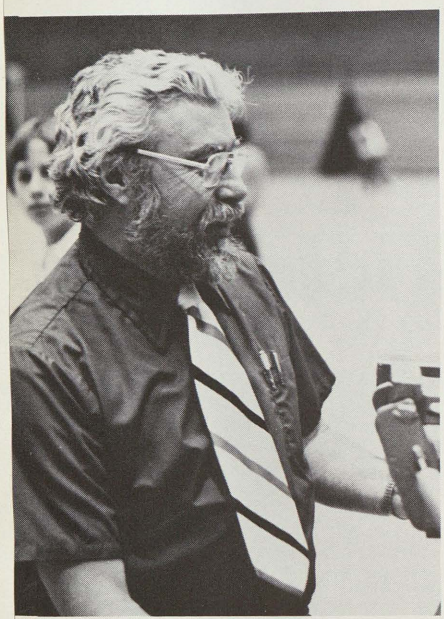
Mr. William Jordan: Supervisor, Bldg. & Equip.

Mr. James King: Vocational Ed. Director.



Dr. Jeremy Hughes: Asst. Supt., Instruction.

Administrators

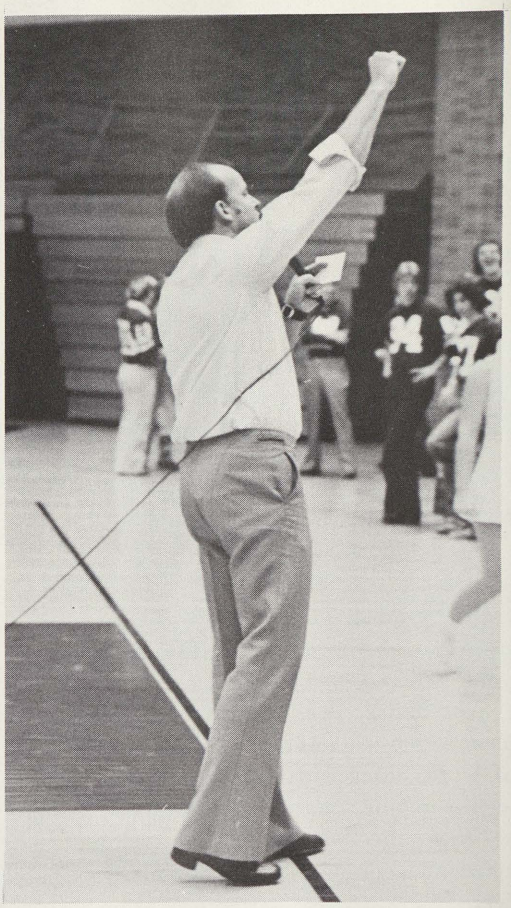


Keeping a school on its feet is a tough job and Ike has four men who can affirm that fact.

To keep the student body and staff working toward a common goal, these men used a "one to one" basis with both staff and student problems, large or small. After the mileage defeat, they went beyond their call of duty and served as teachers part of the time.

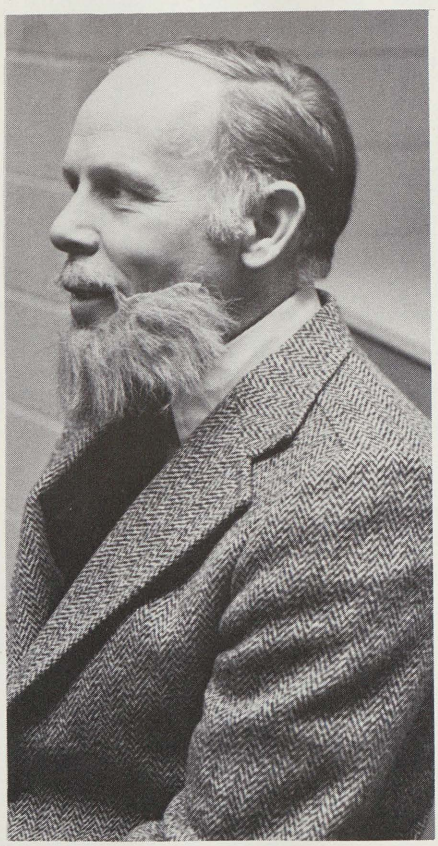
Mr. Doug Doane, Mr. Allan Larsen, Mr. "Chappy" Marvin, and Mr. Russ Spaulding built up a reputation for themselves, for the school, and for the student body which demanded nothing less than respect.

Left: Mr. Russ Spaulding observes a gym class.

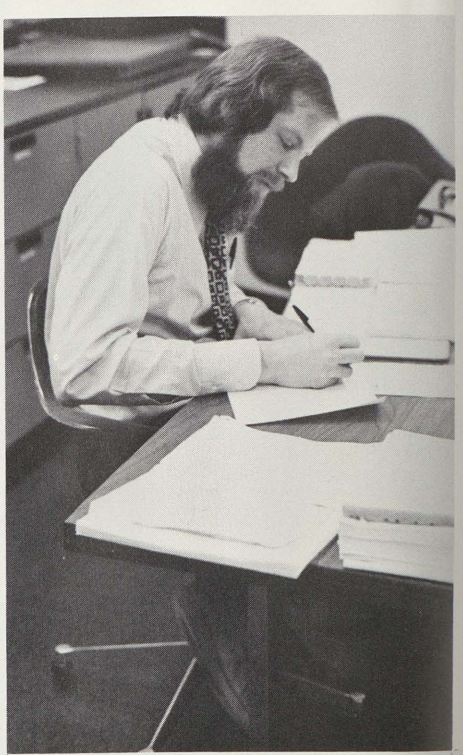


Mr. Doug Doane believes in Eisenhower!

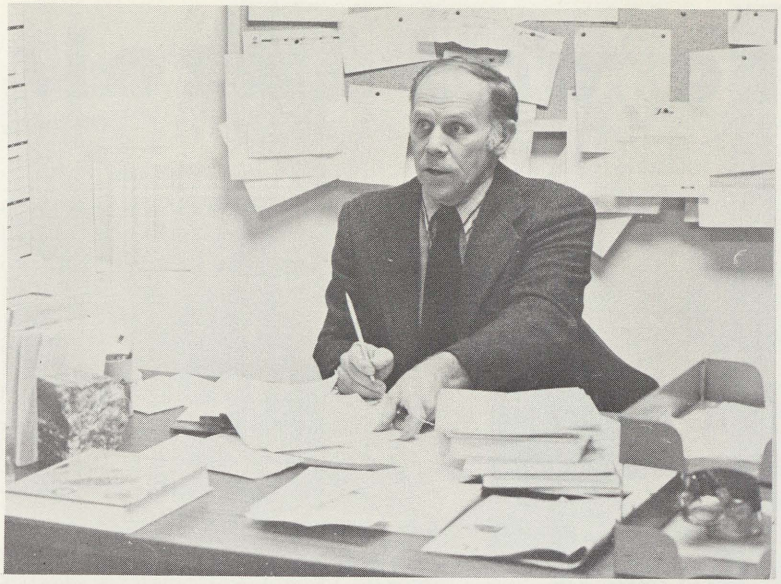
Mrs. Joan Fleener and Mr. Allan Larsen ham it up!



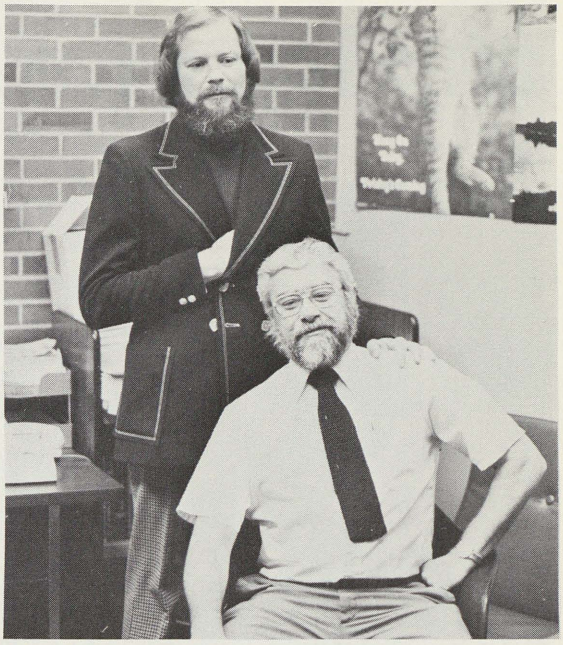
Mr. "Chappy" Marvin believes in beards.



Mr. Allan Larsen, Assistant Principal works dilligently.

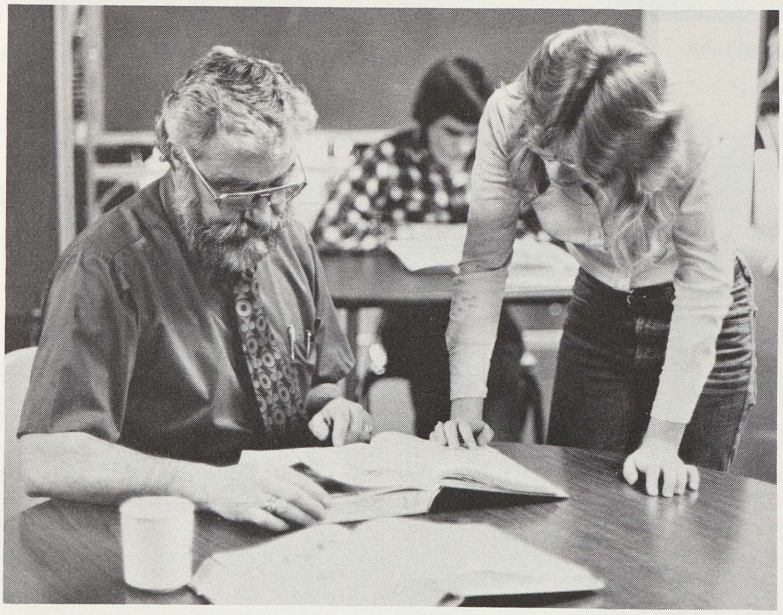


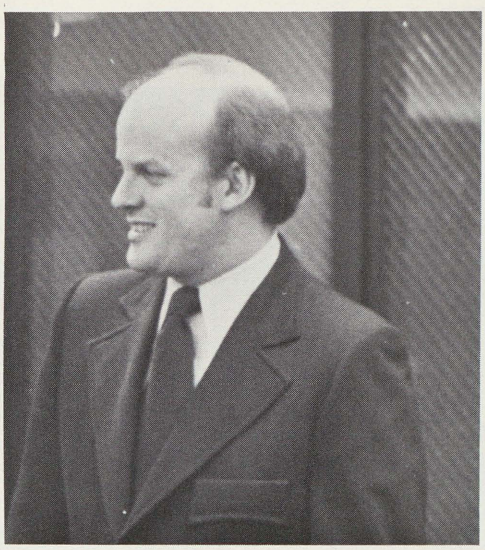
Mr. "Chappy" Marvin enjoys his work.



Mr. Al Larsen thinks he is Napolean and Mr. Russ Spaulding his successor!

Mr. Russ Spaulding helps Sandy Catterfield with her history.

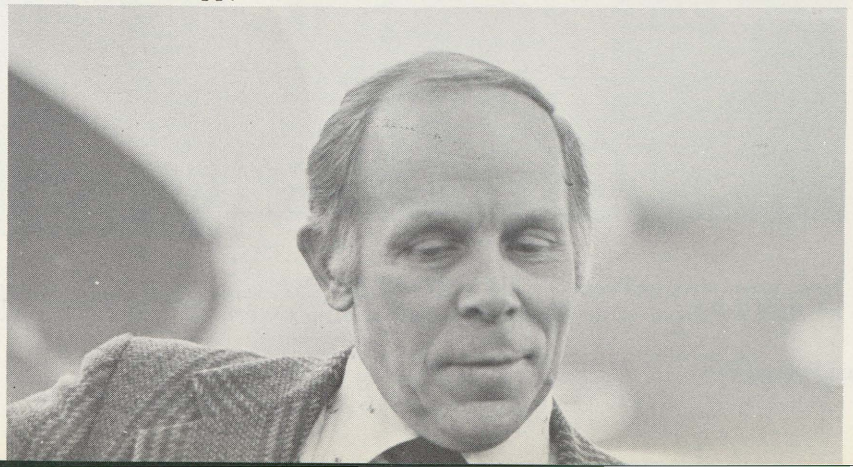




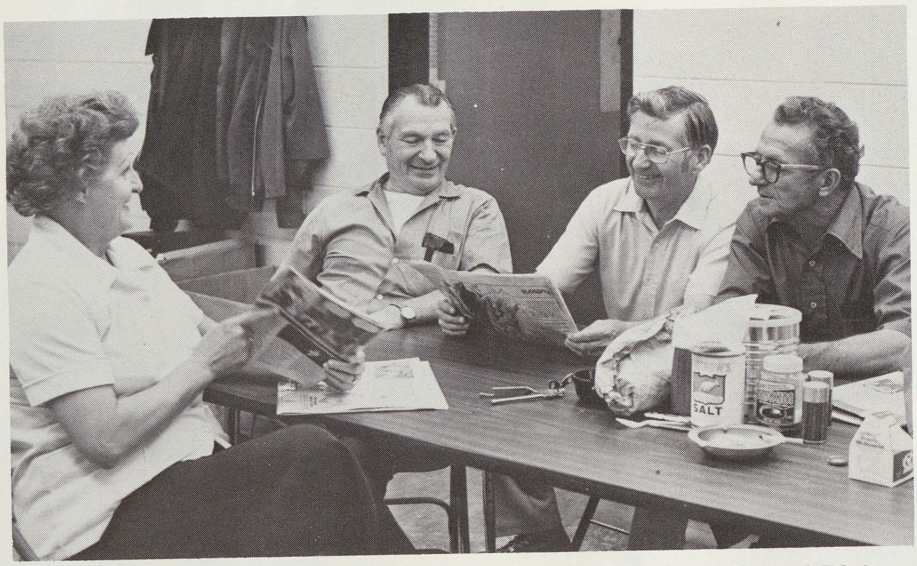
Mr. Doug Doane, Principal, takes time out of his day for a picture.

A hard day shows up on Mr. Allan Larsen's face.

Mr. Charles "Chappy" Marvin, Assistant Principal.



Maintenance and Meals



During their lunch break, part of Ike's maintanence crew, Dana, John, Joe and Ed discuss the news.

The Eisenhower maintenance and lunch crews have worked hard to provide a better atmosphere at Eisenhower.

The cooks served a well-balanced lunch program for all the students and teachers at Eisenhower. In addition to their noon-time meals the cooks were also involved in a well-received breakfast program.

Keeping our hallways and Student Center clean has always been a big job for our custodians. They managed the entire campus from repairing light fixtures to maintaining the football field and school grounds.
